Q

When Rebecca Romijn-Stamos and John Stamos get divorced, will either have to pay alimony?

A

No. **“If both people are wealthy and have equal incomes, spousal support is generally not granted,”** says L.A. divorce lawyer **Stacy D. Phillips**, founding partner of Phillips, Lerner, and Lauzon LLP. Rebecca’s career is taking off, and according to an inside source, **“John still gets fat syndication checks from Full House, which was one of the biggest syndication deals in history, so they likely earn nearly the same amount.”**
